Note: This newly revised SP-120 includes a scope and title change.

All Standard Practices will be available from MSS and authorized distributors before December 30, 2011.

About MSS

The Manufacturers Standardization Society (MSS) of the Valve and Fittings Industry is a non-profit technical association organized for development and improvement of industry, national and international codes and standards for Valves, Valve Actuators, Valve Modifications, Pipe Fittings, Flanges, Pipe Hangers and Supports, and Associated Seals. Since its establishment in 1924, MSS has been dedicated to developing standards for national and global application, in cooperation with other standardizing bodies and regulatory authorities. MSS is an American National Standards Institute (ANSI)-accredited standards developer.

For media inquiries, please contact MSS Executive Director, Robert O'Neill at (703) 281-6613 or boneill@mss-hq.org.
